CLERK U.S. DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA  
LOS ANGELES

FILED

RULE 11(c)(1)(C) AGREEMENT

2       2. Defendant understands that this agreement is entered into  
3 pursuant to Federal Rule of Criminal Procedure 11(c)(1)(C).  
4 Accordingly, defendant understands that, if the Court determines  
5 that it will not accept this agreement, absent a breach of this  
6 agreement by defendant prior to that determination and whether or  
7 not defendant elects to withdraw any guilty plea entered pursuant to  
8 this agreement, this agreement will, with the exception of paragraph  
9 19 below, be rendered null and void and both defendant and the USAO  
10 will be relieved of their obligations under this agreement.  
11 Defendant agrees, however, that if defendant breaches this agreement  
12 prior to the Court's determination whether or not to accept this  
13 agreement, the breach provisions of this agreement, paragraphs 21  
14 and 22 below, will control, with the result that defendant will not  
15 be able to withdraw any guilty plea entered pursuant to this  
16 agreement, the USAO will be relieved of all of its obligations under  
17 this agreement, and the Court's failure to follow any recommendation  
18 or request regarding sentence set forth in this agreement will not  
19 provide a basis for defendant to withdraw defendant's guilty pleas.

DEFENDANT'S OBLIGATIONS

21           3.   Defendant agrees to:

22           a) Give up the right to indictment by a grand jury, and  
23 at the earliest opportunity requested by the USAO and provided by  
24 the Court appear and plead guilty to all counts in the three-count  
25 information, in the form attached to this agreement as Exhibit A or  
26 a substantially similar form, charging defendant with illegal  
27 transportation of hazardous materials, in violation of 49 U.S.C.  
28 § 5124(a), 49 C.F.R. § 173.24(b), and 18 U.S.C. § 2(b).

1               b) Not contest facts agreed to in this agreement.  
2               c) Abide by all agreements regarding sentencing  
3 contained in this agreement and affirmatively recommend to the court  
4 that it impose sentence in accordance with paragraph 13 of this  
5 agreement.

6               d) Appear for all court appearances, obey all conditions  
7 of any bond, and obey any other ongoing court order in this matter.

8               e) Not commit any crime; however, offenses that would be  
9 excluded for sentencing purposes under United States Sentencing  
10 Guidelines ("U.S.S.G." or "Sentencing Guidelines") § 4A1.2(c) are  
11 not within the scope of this agreement.

12              f) Be truthful at all times with Pretrial Services, the  
13 United States Probation Office, and the Court.

14              g) Pay the applicable special assessments at or before  
15 the time of sentencing unless defendant lacks the ability to pay and  
16 prior to sentencing submits a completed financial statement on a  
17 form to be provided by the USAO.

18                                  THE USAO'S OBLIGATIONS

19              4. The USAO agrees to:

20              a) Not contest facts agreed to in this agreement.  
21              b) Abide by all agreements regarding sentencing  
22 contained in this agreement and affirmatively recommend to the court  
23 that it impose sentence in accordance with paragraph 13 of this  
24 agreement.

25              c) Except for criminal tax violations (including  
26 conspiracy to commit such violations chargeable under 18 U.S.C.  
27 § 371), not further criminally prosecute defendant (and its parent  
28 company), KW PLASTICS (and its partners), KW PLASTICS OF CALIFORNIA

(and its partners), SOUTHERN LEASING LLC (and its members), and LUTREL TRUCKING INC., and/or any individuals currently employed by defendant or the companies listed in this subparagraph on the date this agreement is executed by defendant, for violations arising out of defendant's conduct described in the attached agreed-to statement of facts. Defendant understands that the USAO is free to criminally prosecute defendant (and its parent company), KW PLASTICS (and its partners), KW PLASTICS OF CALIFORNIA (and its partners), SOUTHERN LEASING LLC (and its members), and LUTREL TRUCKING INC., and/or any current or former employees of defendant and/or those companies for any other unlawful past conduct or any unlawful conduct that occurs after the date of this agreement. Defendant agrees that at the time of sentencing the Court may consider any uncharged conduct in determining the applicable Sentencing Guidelines range, the propriety and extent of any departure from that range, and the sentence to be imposed after consideration of the Sentencing Guidelines and all other relevant factors under 18 U.S.C. § 3553(a).

## CORPORATE AUTHORIZATION

19       5. Defendant represents that it is authorized to enter into  
20 this agreement. On or before the change of plea hearing pursuant to  
21 this agreement, defendant shall provide the USAO and the Court with  
22 a notarized legal document certifying that defendant is authorized  
23 to enter into and comply with all of the provisions of this  
24 agreement. Such legal document(s) shall designate a company  
25 representative who is authorized to take the actions specified in  
26 this agreement, and shall also state that all legal formalities for  
27 such authorizations have been observed.

## ORGANIZATIONAL CHANGES AND APPLICABILITY

2       6. This agreement shall bind defendant, its successor  
3 entities (if any), parent companies, and any other person or entity  
4 that assumes the liabilities contained herein ("successors-in-  
5 interest"). Defendant, or its successors-in-interest, if  
6 applicable, shall provide the USAO and the United States Probation  
7 Office for the Central District of California with immediate notice  
8 of any name change, business reorganization, sale or purchase of  
9 assets, divestiture of assets, or similar action impacting their  
10 ability to pay the fine or affecting this agreement. No change in  
11 name, change in corporate or individual control, business  
12 reorganization, change in ownership, merger, change of legal status,  
13 sale or purchase of assets, or similar action shall alter  
14 defendant's responsibilities under this agreement. Defendant shall  
15 not engage in any action to seek to avoid the obligations and  
16 conditions set forth in this agreement.

## NATURE OF THE OFFENSES

18       7. Defendant understands that for defendant to be guilty of  
19 the crime charged in counts one, two, and three of the three-count  
20 information, that is, illegal transportation of hazardous materials,  
21 in violation of 49 U.S.C. § 5124(a), 49 C.F.R. § 173.24(b), and 18  
22 U.S.C. § 2(b), the following must be true: (1) defendant willfully  
23 or recklessly transported or willfully caused to be transported; (2)  
24 a hazardous material; (3) without packaging authorized for such  
25 material.

## PENALTIES

27       8. Defendant understands that the statutory maximum sentence  
28 that the Court can impose for each violation of 49 U.S.C. § 5124(a),

1 49 C.F.R. § 173.24(b), and 18 U.S.C. § 2(b), is: a five-year period  
2 of probation; a fine of \$500,000 or twice the gross gain or gross  
3 loss resulting from the offense, whichever is greatest; and a  
4 mandatory special assessment of \$400.

5 . Defendant understands, therefore, that the total maximum  
6 sentence for all offenses to which defendant is pleading guilty is:  
7 a five-year period of probation; a fine of \$1,500,000 or twice the  
8 gross gain or gross loss resulting from the offenses, whichever is  
9 greatest; and a mandatory special assessment of \$1,200.

10 SUSPENSION, REVOCATION, AND DEBARMENT

11 10. Defendant understands that if defendant holds any  
12 regulatory licenses or permits, the convictions in this case may  
13 result in the suspension or revocation of those licenses and  
14 permits. The USAO makes no representation or promise concerning  
15 suspension or debarment of defendant from contracting with the  
16 United States or with any office, agency, or department thereof.  
17 Suspension and debarment of organizations convicted under various  
18 federal environmental protection and criminal statutes is a  
19 discretionary administrative action solely within the authority of  
20 the federal contracting agencies. Defendant understands that  
21 unanticipated collateral consequences such as this will not serve as  
22 grounds to withdraw defendant's guilty pleas.

23 FACTUAL BASIS

24 11. Defendant admits that defendant is, in fact, guilty of the  
25 offenses to which defendant is agreeing to plead guilty. Defendant  
26 and the USAO agree to the statement of facts attached hereto as  
27 Exhibit B and incorporated by reference herein, and agree that the  
28 statement of facts is sufficient to support the pleas of guilty to

1 the charges described in this agreement as well as the sentence,  
2 conditions of probation, fine, and restitution payments specified in  
3 this agreement. The attached statement of facts is not meant to be  
4 a complete recitation of all facts relevant to the underlying  
5 criminal conduct or all facts known to either party that relate to  
6 that conduct.

7 SENTENCING AGREEMENT

8 12. Defendant and the USAO agree and stipulate that, pursuant  
9 to United States Sentencing Guidelines ("U.S.S.G.") §§ 8C2.1 and  
10 8C2.10, the sentencing guidelines are not applicable in determining  
11 the fine for an organization violating statutes relating to the  
12 environment, but that all other sections of Chapter 8 of the  
13 U.S.S.G. are applicable in this case, including the provisions  
14 regarding probation and restitution. Defendant understands that in  
15 determining defendant's sentence, the Court is required to consider  
16 the factors set forth in 18 U.S.C. § 3553(a), including the kinds of  
17 sentence and sentencing range established under the Sentencing  
18 Guidelines.

19 13. Pursuant to U.S.S.G. §§ 8D1.1 and 8D1.2 and the factors  
20 set forth in Title 18, United States Code, Section 3553(a),  
21 including the nature and circumstances of the offenses and the  
22 history and characteristics of the defendant, the need for the  
23 sentence imposed to reflect the seriousness of the offenses, to  
24 promote respect for the law, to provide just punishment for the  
25 offenses, to afford adequate deterrence to criminal conduct, and to  
26 protect the public from further crimes of the defendant, and the  
27 need to provide restitution to victims of the offenses, the parties  
28 agree that defendant shall be sentenced as follows:

1                   a) Probation: Defendant shall be sentenced to a term of  
2 3 years' probation with conditions to be fixed by the Court.

3                   b) Criminal Fine: Defendant shall pay a total criminal  
4 fine of \$1,500,000. The criminal fine shall be paid by certified  
5 check or wire transfer to the Clerk of the United States District  
6 Court for the Central District of California, and confirmation of  
7 the completed wire transfer or certified check shall be provided to  
8 the USAO, as follows: \$500,000 within one year of the sentencing  
9 hearing; and two separate payments of \$500,000 each on or before the  
10 second and third anniversaries of the sentencing hearing.

11                  c) Special Assessment: Defendant shall pay a total  
12 special assessment of \$1,200.

13                  d) Community Service Payment: Within thirty days of the  
14 sentencing hearing, defendant shall pay a total of \$1,500,000 in the  
15 form of a community service payment to the ERAF fund established by  
16 the Los Angeles County Department of Public Health, with proof of  
17 payment provided to the USAO. These funds will be used to support  
18 residents in the communities impacted by the "Company 1," including  
19 for the following types of activities, among other related things:  
20 (1) verification testing, analysis, and assessment of soils and  
21 exterior/interior dust following State cleanup of residential  
22 properties; (2) assistance to residents in abating lead and lead-  
23 paint hazards; (3) Los Angeles County public health and safety  
24 outreach, including education and advocacy activities; and (4)  
25 educational and learning disability assessment and intervention for  
26 children who reside within communities impacted by "Company 1." The  
27 parties stipulate and agree that this community service payment is  
28 not a donation and is not tax deductible.

## WAIVER OF CONSTITUTIONAL RIGHTS

2        14. Defendant understands that by pleading guilty, defendant  
3 gives up the following rights:

- a) The right to persist in a plea of not guilty.
  - b) The right to a speedy and public trial by jury.
  - c) The right to be represented by counsel at trial.

7 Defendant understands, however, that, defendant retains the right to  
8 be represented by counsel at every other stage of the proceeding.

- 9                   d) The right to be presumed innocent and to have the  
10 burden of proof placed on the government to prove defendant guilty  
11 beyond a reasonable doubt.

12                   e) The right to confront and cross-examine witnesses  
13 against defendant.

14 f) The right to testify and to present evidence in  
15 opposition to the charge, including the right to compel the  
16 attendance of witnesses to testify.

17 g) Any and all rights to pursue any affirmative  
18 defenses, Fourth Amendment or Fifth Amendment claims, and other  
19 pretrial motions that have been filed or could be filed.

WAIVER OF STATUTE OF LIMITATIONS

21       15. Having been fully advised by defendant's attorney  
22 regarding application of the statute of limitations to the offenses  
23 to which defendant is pleading guilty, defendant hereby knowingly,  
24 voluntarily, and intelligently waives, relinquishes, and gives up:  
25 (a) any right that defendant might have not to be prosecuted for the  
26 offenses to which defendant is pleading guilty because of the  
27 expiration of the statute of limitations for those offenses prior to  
28 the filing of the information alleging those offenses; and (b) any

1 defense, claim, or argument defendant could raise or assert that  
2 prosecution of the offenses to which defendant is pleading guilty is  
3 barred by the expiration of the applicable statute of limitations,  
4 pre-indictment delay, or any speedy trial violation.

5 WAIVER OF APPEAL OF CONVICTIONS

6 16. Defendant understands that, with the exception of an  
7 appeal based on a claim that defendant's guilty pleas were  
8 involuntary, by pleading guilty defendant is waiving and giving up  
9 any right to appeal defendant's convictions on the offenses to which  
10 defendant is pleading guilty.

11 LIMITED MUTUAL WAIVER OF APPEAL OF SENTENCE

12 17. Defendant agrees that, provided the Court imposes the  
13 sentence specified in paragraph 13, defendant gives up the right to  
14 appeal any portion of the sentence.

15 18. The USAO agrees that, provided the Court imposes the  
16 sentence specified in paragraph 13, the USAO gives up its right to  
17 appeal any portion of the sentence.

18 RESULT OF WITHDRAWAL OF GUILTY PLEAS

19 19. Defendant agrees that if, after entering the guilty pleas  
20 pursuant to this agreement, defendant seeks to withdraw and succeeds  
21 in withdrawing defendant's guilty pleas on any basis other than a  
22 claim and finding that entry into this agreement was involuntary,  
23 then: (a) the USAO will be relieved of all of its obligations under  
24 this agreement; and (b) should the USAO choose to pursue any charge  
25 or any civil, administrative, or regulatory action that was either  
26 dismissed or not filed as a result of this agreement, then (i) any  
27 applicable statute of limitations will be tolled between the date of  
28 defendant's signing of this agreement and the filing commencing any

1 such action; and (ii) defendant waives and gives up all defenses  
2 based on the statute of limitations, any claim of pre-indictment  
3 delay, or any speedy trial claim with respect to any such action,  
4 except to the extent that such defenses existed as of the date of  
5 defendant's signing this agreement.

6 EFFECTIVE DATE OF AGREEMENT

7 20. This agreement is effective upon signature and execution  
8 of all required certifications by defendant, defendant's counsel,  
9 and an Assistant United States Attorney.

10 BREACH OF AGREEMENT

11 21. Defendant agrees that if defendant, at any time after the  
12 signature of this agreement and execution of all required  
13 certifications by defendant, defendant's counsel, and an Assistant  
14 United States Attorney, knowingly violates or fails to perform any  
15 of defendant's obligations under this agreement ("a breach"), the  
16 USAO may declare this agreement breached. All of defendant's  
17 obligations are material, a single breach of this agreement is  
18 sufficient for the USAO to declare a breach, and defendant shall not  
19 be deemed to have cured a breach without the express agreement of  
20 the USAO in writing. If the USAO declares this agreement breached,  
21 and the Court finds such a breach to have occurred, then: (a) if  
22 defendant has previously entered guilty pleas pursuant to this  
23 agreement, defendant will not be able to withdraw the guilty pleas,  
24 (b) the USAO will be relieved of all its obligations under this  
25 agreement, and (c) the Court's failure to follow any recommendation  
26 or request regarding sentence set forth in this agreement will not  
27 provide a basis for defendant to withdraw defendant's guilty pleas.

28

1        22. Following the Court's finding of a knowing breach of this  
2 agreement by defendant, should the USAO choose to pursue any charge  
3 or any civil, administrative, or regulatory action that was either  
4 dismissed or not filed as a result of this agreement, then:

5              a) Defendant agrees that any applicable statute of  
6 limitations is tolled between the date of defendant's signing of  
7 this agreement and the filing commencing any such action.

8              b) Defendant waives and gives up all defenses based on  
9 the statute of limitations, any claim of pre-indictment delay, or  
10 any speedy trial claim with respect to any such action, except to  
11 the extent that such defenses existed as of the date of defendant's  
12 signing this agreement.

13              c) Defendant agrees that: (i) any statements made by  
14 defendant, under oath, at the guilty plea hearing (if such a hearing  
15 occurred prior to the breach); (ii) the agreed to factual basis  
16 statement in this agreement; and (iii) any evidence derived from  
17 such statements, shall be admissible against defendant in any such  
18 action against defendant, and defendant waives and gives up any  
19 claim under the United States Constitution, any statute, Rule 410 of  
20 the Federal Rules of Evidence, Rule 11(f) of the Federal Rules of  
21 Criminal Procedure, or any other federal rule, that the statements  
22 or any evidence derived from the statements should be suppressed or  
23 are inadmissible.

24                          COURT AND PROBATION OFFICE NOT PARTIES

25        23. Defendant understands that the Court and the United States  
26 Probation Office are not parties to this agreement and need not  
27 accept any of the USAO's sentencing recommendations or the parties'  
28 agreements to facts, sentencing factors, or the sentence. Defendant

1 understands that the Court will determine the facts, sentencing  
2 factors, and other considerations relevant to sentencing and will  
3 decide for itself whether to accept and agree to be bound by this  
4 agreement.

5       24. Defendant understands that both defendant and the USAO are  
6 free to: (a) supplement the facts by supplying relevant information  
7 to the United States Probation Office and the Court, (b) correct any  
8 and all factual misstatements relating to the Court's Sentencing  
9 Guidelines calculations and determination of sentence, and (c) argue  
10 on appeal and collateral review that the Court's Sentencing  
11 Guidelines calculations and the sentence it chooses to impose are  
12 not error, although each party agrees to maintain its view that the  
13 calculations and sentence referenced in paragraph 13 are consistent  
14 with the facts of this case. While this paragraph permits both the  
15 USAO and defendant to submit full and complete factual information  
16 to the United States Probation Office and the Court, even if that  
17 factual information may be viewed as inconsistent with the facts  
18 agreed to in this agreement, this paragraph does not affect  
19 defendant's and the USAO's obligations not to contest the facts  
20 agreed to in this agreement.

NO ADDITIONAL AGREEMENTS

22        25. Defendant understands that, except as set forth herein and  
23 in the parties' tolling agreements, there are no promises,  
24 understandings, or agreements between the USAO and defendant or  
25 defendant's attorney, and that no additional promise, understanding,  
26 or agreement may be entered into unless in writing signed by all  
27 parties or on the record in court.

1                   PLEA AGREEMENT PART OF THE GUILTY PLEA HEARING

2         26. The parties agree that this agreement will be considered  
3 part of the record of defendant's guilty plea hearing as if the  
4 entire agreement had been read into the record of the proceeding.

CERTIFICATION OF DEFENDANT

2 I have been authorized by defendant WILEY SANDERS TRUCK LINES  
3 INC. ("defendant") to enter into this agreement on behalf of  
4 defendant. I have read this agreement in its entirety. I have had  
5 enough time to review and consider this agreement, and I have  
6 carefully and thoroughly discussed every part of it with defendant's  
7 attorney. I understand the terms of this agreement, and I  
8 voluntarily agree to those terms on behalf of defendant. I have  
9 discussed the evidence with defendant's attorney, and defendant's  
10 attorney has advised me of defendant's rights, of possible pretrial  
11 motions that might be filed, of possible defenses that might be  
12 asserted either prior to or at trial, of the sentencing factors set  
13 forth in 18 U.S.C. § 3553(a), of relevant Sentencing Guidelines  
14 provisions, and of the consequences of entering into this agreement.  
15 No promises, inducements, or representations of any kind have been  
16 made to me or to defendant other than those contained in this  
17 agreement. No one has threatened or forced me or defendant in any  
18 way to enter into this agreement. I am satisfied with the  
19 representation of defendant's attorney in this matter, and I am  
20 pleading guilty on behalf of defendant because defendant is guilty  
21 of the charge and wishes to take advantage of the promises set forth  
22 in this agreement, and not for any other reason.

# EXHIBIT B

**Exhibit B**

Statement of Facts

#### A. Company 1's Battery Recycling Facility

4 Company 1 operated a large battery recycling facility ("the  
5 Facility") on a 15-acre property in Vernon, California. The  
6 Facility received and recycled lead-acid batteries into their basic,  
7 constituent parts -- lead and plastic. At peak operation the  
8 Facility received approximately 40,000 batteries per day. The  
9 batteries were initially crushed and broken apart in a hammer mill,  
10 and during this process the batteries were separated into three  
11 primary component streams: acid, lead, and plastic. The acid was  
12 neutralized and treated on-site. The lead was reprocessed and  
13 smelted to produce a lead product that could be reused to  
14 manufacture new lead-acid batteries. The plastic was rinsed, loaded  
15 into semi-truck trailers, and transported to an off-site facility  
16 for reprocessing into new, resin-coated plastic pellets that could  
17 be used to manufacture new lead-acid batteries and other consumer  
18 products.

19 As part of the battery recycling process, the Facility  
20 generated various hazardous wastes including corrosive fluids and  
21 waste containing metals such as lead, cadmium, arsenic, antimony,  
22 zinc, and chromium. Lead is a soft, heavy metal that enters the  
23 body by two paths: inhalation or ingestion. Children under the age  
24 of six are known to ingest more lead than adults because of the  
25 normal hand-to-mouth behavior of young children. The most common  
26 manner by which children ingest lead is by placing objects that have  
27 lead-contaminated soil or dust on them in their mouths. There is no  
28 known safe level of lead in human blood. During the early 1990's,

1 the United States Centers for Disease Control and Prevention  
2 determined that nearly 1,000,000 children within the United States  
3 had levels of lead in their blood stream high enough to cause  
4 irreversible damage to their health.

5 **B. Defendant's Transportation of Lead-Contaminated Plastic Chips**

6 Defendant WILEY SANDERS TRUCK LINES INC. ("defendant") is a  
7 corporation engaged in the trucking business in California, within  
8 the Central District of California, and in 47 other states.

9 Defendant is registered as a hazardous waste transporter with the  
10 California Department of Toxic Substances Control ("DTSC"), and a  
11 portion of defendant's business involves the transportation of  
12 hazardous wastes and hazardous materials in semi-truck trailers  
13 (i.e., a three-axle semi-truck pulling a tandem-axle semi-trailer).

14 Defendant used its semi-truck trailers to transport plastic  
15 chips from the Facility to Company 2, a business in Bakersfield,  
16 California, where the chips were made into battery cases, glove box  
17 liners, nursery trays for plants, and other products. The process  
18 was relatively straightforward. After the Facility separated the  
19 plastic chips from the rest of the battery components, the plastic  
20 chips were rinsed with water in an attempt to remove the lead and  
21 other materials, and then loaded into defendant's semi-trailers that  
22 were parked at the Facility. Defendant knew that the semi-trailers,  
23 however, did not contain any lining or inner packaging material to  
24 prevent liquids and semi-solids from escaping through cracks and  
25 other openings in the trailers. As such, defendant's truck drivers  
26 would occasionally transport the semi-trailers on public roads  
27 before the plastic chips were dry, despite the fact that the lead-

1 contaminated plastic chips and resulting lead-contaminated liquid  
2 residue would leak out of the trailers.

3 The Facility would also prepare a bill of lading and a uniform  
4 hazardous waste manifest for the loads of plastic chips describing  
5 the material as "Hazardous Waste Solid." Defendant would transport  
6 the hazardous waste to Company 2 where the plastic would be made  
7 into different products. Defendant's semi-truck trailers would  
8 typically transport approximately 40,000 pounds of lead-contaminated  
9 plastic chips at a time, multiple times per week, from the Facility  
10 to Company 2. At all relevant times, defendant knew that it was  
11 transporting hazardous waste and hazardous material in semi-truck  
12 trailers that were not leak proof or sift proof.

13 On or about August 10, 2013, one of defendant's semi-truck  
14 trailers that was transporting plastic battery chips from the  
15 Facility entered the Castaic Weigh Station located on the northbound  
16 Interstate 5 highway near Santa Clarita, California. The semi-truck  
17 trailer was stopped at the weigh station because of a faulty running  
18 light. A California Highway Patrol officer working at the weigh  
19 station noticed that the semi-trailer was leaking liquid onto the  
20 ground. Because the shipment was being transported under a  
21 hazardous waste manifest, the Los Angeles County Fire Department  
22 Health Hazardous Materials Division ("HHMD") was notified. HHMD  
23 responded and collected samples from the trailer and the liquid that  
24 was dripping from it. Two samples of the dripping liquid collected  
25 from the outside of the trailer were tested and found to contain  
26 11.3 milligrams per liter ("mg/L") and 5.56 mg/L of lead,  
27 respectively. Waste that contains more than 5.0 mg/L of lead was a  
28 toxic hazardous waste under the federal Resource Conservation and

1 Recovery Act ("RCRA") and also a hazardous material under the  
2 Hazardous Materials Transportation Act ("HMTA"). This trailer  
3 contained approximately 41,720 pounds of lead-contaminated plastic  
4 battery chips.

5 On or about November 1, 2013, another semi-truck trailer owned  
6 and operated by defendant entered the Castaic Weigh Station. The  
7 truck driver was asked to open one of the doors in the back of the  
8 semi-trailer so that the trailer's contents could be inspected, and  
9 when he did so plastic battery chips spilled out of the trailer. A  
10 large quantity of plastic battery chips was piled loosely inside the  
11 trailer. When a DTSC senior environmental scientist looked  
12 underneath the trailer, he saw a yellow/brown residue that had  
13 crystallized and was stuck to the trailer's chassis. In some areas,  
14 the yellow/brown crystallized material was growing downward similar  
15 to how stalactites form on the roof of a cave. Samples were taken  
16 of the plastic chips that were located inside the trailer and of the  
17 yellow/brown crystallized material on the trailer's chassis. The  
18 plastic chip sample was tested and found to contain 5.6 mg/L of  
19 lead, and the yellow/brown material was tested and found to contain  
20 120 mg/L of lead. As such, both samples were toxic hazardous wastes  
21 under RCRA and hazardous materials under the HMTA. This trailer  
22 contained approximately 45,680 pounds of lead-contaminated plastic  
23 battery chips.

24 In addition, on or about March 13, 2014, defendant transported  
25 a load of 41,440 pounds of lead-contaminated plastic battery chips  
26 from Vernon, California, to Bakersfield, California, in a semi-truck  
27 trailer without authorized packaging.
